

## **PLAYER ELIGIBILITY RULES**

- 1. A team may have on their official roster a maximum 18 players of which only 2 may be goalies**
- 2. You may only dress a maximum of 18 players per game, of which 2 may be goalies.**
- 3. The minimum number of players a team may play with is 11 of which 1 is a goalie, but we recommend each team play with a minimum of 14 players of which 1 is a goalie**
- 4. A team must submit their roster prior to game 1 of the season, and that roster is frozen. You may not add more players to the roster. You may use drop in players who must pay a drop in fee each game they attend.**
- 5. A drop in player is a player not on the official roster, but rather a player who is used by a team when they are short players. A drop in player must pay the drop in fee and check in prior to the game**
- 6. Drop in players cannot be added to the official roster once the official roster is submitted.**
- 7. Teams are preferred to dress 2 goalies in each game**
- 8. Each team must include a minimum of 2 adult coaches on their roster prior to league play, and a maximum of 4**
- 9. Each team must have 1 of the 4 rostered coaches on the bench for each game, you are not allowed to use random parents, fans, or players as coaches.**
- 10. Players who are not part of a team or not in the line up for a team due to injury may NOT be on any bench during game play**
